

David Jr., Reymon G.

reymondved@gmail.com | github.com/reymondved | reymondved.github.io

Profile

Computer Engineering student at Holy Angel University with a foundation in C/C++, Python, and Git/GitHub. Active ICpEP member with experience in event coordination, teamwork, and leadership. Learning web development by building projects with AI assistance. Seeking an OJT opportunity to apply my technical skills, learn from industry professionals, and grow through real project experience.

Skills

Technical: C/C++ (basic), Python (basic), HTML, CSS, and JavaScript (learning), Git and GitHub, VS Code, AI-assisted development, networking fundamentals

Soft skills: Problem solving, analytical thinking, leadership, adaptability, teamwork

Projects

Personal portfolio website 2026

HTML, CSS, JavaScript, GitHub Pages | reymondved.github.io

- Built a multi-page, responsive site (Home, About, Projects, Contact) that adapts to phone and desktop and to light or dark mode, with AI assistance
- Debugged and extended it myself, then deployed it with a public GitHub repository and a live link

Experience

Institute of Computer Engineers of the Philippines (HAU) – Member 2023 – Present

- Served as point person for College Days
- Represented the organization in esports competitions
- Participated in chapter activities and seminars on computer engineering and emerging technologies

Valiant Esports – Valorant Team Captain 2023 – 2024

- Led a team of 7 players, coordinating practices and tournament participation
- Developed game strategies and role assignments, and reviewed match results to improve team performance
- Communicated with teammates and tournament organizers to resolve scheduling and roster issues
- Placed 4th at AcadArena Central Luzon

Cisco Networking Academy – Student 2023 – 2025

- Introduction to Packet Tracer
- IT Essentials
- Introduction to Networks
- Switching, Routing, and Wireless Essentials

Education

Holy Angel University 2023 – Present

Bachelor of Science in Computer Engineering

Information and Communication Technology High School (ICTHS) 2017 – 2023

Science, Technology, Engineering, and Mathematics (STEM)

Achievements

- With Honors, Grades 7 to 12

Languages

English, Filipino
